Welcome to Our 21st Jazz Jubilee!

Welcome to the 21st Mammoth Lakes Jazz Jubilee—we call it “Jazz with Altitude”. This is a FUN musical event that brings musicians from all over the country to play for you, their adoring fans.

Please enjoy all of the spectacular scenery, the friendly small town feel from the many folks in the shops, lodges & restaurants...all while you are able to listen to music from the early 1900's to the present day.

Pick up those “extra” schedule sheets at each site so you can see who is playing where & when. They will also contain all of the Special Event times & locations.

Also, read the program to:

1. Find out about the bands, their personnel and their sponsors,
2. The Jubilee rules that will help make your Jubilee experience the best it can be,
3. The “Basket” raffle rules—you can win lots of wonderful items donated by many businesses in Mammoth and/or free “badges” to many other Jazz events,
4. The Jazzy-T shirt raffle rules—where you can win 2 Southwest Airline tickets to anywhere in the 48 states. The shirts will be on sale in the Holler souvenir tent. The airline tickets are donated by Stuart Dennis, the leader of the High Street Band,
5. Once again, Cathy Jones has made a beautiful quilt that will be raffled off to help our Jazz Camp Youth Program.

We thank you for coming, and hope you have a wonderful time!
We'll see you next year for the 22nd Mammoth Lakes Jazz Jubilee,

Special Needs

Each year, we make every effort to meet our guests' needs, including those of the physically challenged.

Look for handicapped-equipped toilets at the Big Top complex, inside of the RV Park Rec Room, inside Little Eagle, inside Ski Museum, Whiskey Creek parking lot, and Grumpy's Tent. Three of these sites have paved surfaces, and there is a ramp and wooden floor at the RV Park site.

Please be aware that the Church and Holler sites do have wood chips surfaces, which may make walking more difficult for some handicapped guests, and especially difficult for those in wheelchairs and those with canes.

A limited amount of handicapped parking spots will be provided at the Big Top complex in the parking lot behind the closed Ocean Harvest restaurant. Very limited spaces at other sites.

In the past, we have had a very special feature at the Holler—a massage chair with a professional masseuse! Stop in for a quick back-rub or foot massage. Be sure to sign up for this 10-minute treat. We hope to have them back this year—it depends on their schedules.

As for those on bicycles, look for bike racks at many of the sites. Be sure to bring your own locking devices.

Music Society of the Eastern Sierra

The Music Society of the Eastern Sierra works, encourages, sponsors and stimulates active participation in the performance of music. The Society has given the Mammoth Unified School District music programs invaluable support. These contributions help cover costs for instruments, accompanists and band T-shirts, as well as provide financial assistance for students to attend festivals and contests. The organization contributes to the Jazz Jubilee Jazz Camp, a week-long program for young musicians interested in learning to play jazz. Their donations allow local students to participate in this popular camp. Music Society members lend a hand at the Jazz Jubilee by working as information assistants at the Holler. If you don't see a red-aproned information guide (with the big white question mark on the front of the apron), stop by the Music Society table and they will assist you. The Music Society contributes to other local events and organizations such as the Sierra Summer Festival. They also provide scholarships for promising high-school seniors who have proven their interest in the music field. Stop by their booth to see if they have something you may want to buy.

Special Events

There will be many special events put on by a variety of bands throughout the weekend. Try to catch as many as you can.

Drink Responsibly...

High Altitude Hits You Harder, You're at 8,000 Feet above Sea Level

While reveling in the wonderful music here at the Mammoth Lakes Jazz Jubilee, remember to "Think Before You Drink"! This is the High Sierra and the elevation of this festival is about 8,000 feet above sea level. For those of you very unfamiliar with such altitude, take it easy!

You and your body will react to alcohol differently—you will get drunk much faster. Please hydrate with lots of water. Consuming two beers at high altitude will affect you much more than at sea level. Should you become unable to drive, take advantage of the free shuttle bus & town trolley system. Please limit your bar purchases to two drinks a trip. If you live/or are staying outside the shuttle route, contact a site manager, who will find you a ride home. Safety always comes first!

Also, should minors approach you to buy them alcohol, you could be arrested. Please refrain from doing so, and report the incident to a Jubilee official. Pick up one of the local hospital's brochure titled "High Altitude Tips" for more information about Altitude Adjustment and the effects on your body at 8000' elevation.

11th Annual Musical Instrument Petting Zoo

Saturday, July 11, 9-9:45 a.m. at the Holler

When the Petting Zoo was introduced to the Mammoth Lakes Jazz Jubilee eleven years ago, no one really knew how big a hit it would

be! You see, many festival-goers have never even touched a musical instrument, much less played one. At the Musical Instrument Petting Zoo, folks can do both!

Kids, adults, musicians and non-musicians all tried their hand at the many instruments available with avid enthusiasm. The instructors sure get a kick out of it, too.

This year, we are holding the Instrument Petting Zoo on Saturday, July 11 at the Holler. Petting Zoo time begins at 9am, so stop by and hold, blow, beat or simply pet these musical instruments. Mouthpieces and reeds will be sanitized after each use.

Jazz camp students and musicians participating in the Jazz Jubilee may be there to teach you how to hold and pucker. All ages are welcome to the petting zoo, and feel free to ask questions or ask for demonstrations from our young campers.

This event is free; however, there will be a donation jar to benefit the Jazz Camp.

Survival Guide:

**Rules where common sense & Jubilee
etiquette should prevail**

THESE RULES WILL HELP MAKE THE JUBILEE MORE
ENJOYABLE FOR ALL. THESE ARE FOR YOUR
INFORMATION AND TO HELP YOU HAVE A GREAT TIME.
PLEASE COOPERATE WITH THE FOLLOWING GUIDELINES:

FIRST AID

If you need help, notify any site manager or a volunteer, and he or she

Exceptional Dining Impeccable Service

Enjoy top-of-the-catch seafood, succulent steaks, prime rib and decadent desserts while you dine leisurely in this charming Sierra town.

will radio the nurses and paramedics. The paramedics will be there to treat you within several minutes. Call 911 for all other emergencies in Mammoth Lakes.

NO SMOKING

Because we are in a high fire-danger area, there is no smoking at any site except in the designated areas; look for the signs. Please use the buckets for your butts. Note to our visitors from out of state: ALL California bars and restaurants are non-smoking.

BE CAREFUL CROSSING STREETS

Use crosswalks where painted. Be aware that Minaret Road by The Village is very busy—try to stay inside the walking lane. Also, the sites for the Big Top and Grumpy's are situated on both sides of Old Mammoth Road. Be very careful when crossing in those areas. Be cautious as cars and drivers are not used to a lot of foot traffic in that area.

Another area to use extra caution is the Holler. There are no streetlights between the Church site and the Holler so be careful when walking there. You may want to bring a flashlight for evening walking.

NO SEAT SAVING

Not even with your seat cushion! Please help us with this constant problem! We want to provide chairs for as many people as we can. If you come into a site early (when they are not officially open), and leave your cushion on a seat and then leave the site, your cushion will be removed from that seat and taken to the lost and found! Also, once you are in a site to stay, please DO NOT save a seat for someone who is not there. After the performance has begun, site personnel have been instructed to seat all people without seats. If one location is filled to capacity, please try the other sites. Be aware that most indoor venues have limited seating. (It's OK to leave your seat if you go to the bathroom or if you want to buy food or drink! Tell your neighbor so your seat will not be given away!)

LOST AND FOUND

Lost in found is located at the Holler and at the badge sales booth near the Big Top, behind the Sierra Nevada Rodeway Inn. Please double check the area around your seat before you leave so you don't forget anything. Every night, items will be moved to the Holler.

RECYCLE CANS & BOTTLES

Recycle in the marked trash containers. We are trying to recycle better than in the past. Please help us with this goal by placing trash in the correct receptacle, and recyclables where they belong. Recyclables are a moneymaker for our local youth football teams, please try to separate all of the "trash" out. Thanks for your help.

PARASOLS & UMBRELLAS

Please be aware of the direction and sight-blockage your parasol is taking. Also, please use caution and be careful not to poke anyone; these do hurt when they accidentally come in contact with people! Read the Mardi Gras Madness article on page 12.

VCR RECORDERS

They will be allowed in designated areas only—this is at the discretion of the band leaders. Elaborate tape recorders are not allowed. Small, hand-held audio-recorders are permitted.

DANCING

Please dance only on designated dance floors. Dance floors will be at the following sites: RV Park, Holler, Big Top, Whiskey Creek, Whiskey

Creek Tent, Church, Musuem and Grumpy's Tent. Special dance floors at the Holler and Big Top sites are for children to dance. Please don't dance in front of the audience; everyone wants to hear and see the bands. Even though the spirit may move you, please do not dance on the wood chips or bare dirt; it kicks up a lot of dust and is hard on the musicians, as well as others nearby.

SSHH!

Please hold it down! If you must talk and socialize, please go to an outer area of the venue so you don't disturb people who are trying to listen to our wonderful performers. Remember, tents hold in the sound.

RESTROOMS ARE PROVIDED AT EACH VENUE

Look for signs or ask site personnel for locations. Handicapped toilets are at Grumpy's, Big Top, and Whiskey Creek Tent – all areas with a black top surface. Also, nice facilities are in the RV Park Rec Room, upstairs Whiskey Creek, inside the Ski Museum, Little Eagle tent, and the Theater.

PARKING INFORMATION

Parking areas will require common sense. It will be limited in some locations of town, so please use the free shuttle, free town trolley, walk or ride a bike. If you must drive, check the following areas for limited off-street parking: the lot across the street from The Chart House on Old Mammoth Road, Mammoth High School lot behind Grumpy's, Little Eagle Tent lot, and the lot across from the Village-off of Forest Trail. Please do not block parking spots designated for band members or our hardworking crew. Always follow the directions given by volunteers and signs. The Jazz Jubilee free shuttle bus will service the RV Park, Main Street & Minaret Roads. Please see the map in this program to find location and approximate pickup times.

ALCOHOLIC BEVERAGE POLICY

Any beverage you purchase at one of our food/drink booths may be taken out of that outdoor site, transported down the street, and taken into another outdoor site. Please note that California law DOES NOT ALLOW ANY OPEN CONTAINERS OF ALCOHOL IN VEHICLES.

The Jubilee's special alcoholic transport law is only for walking from venue to venue, not driving, and only applies to beverages purchased at one of our OUTDOOR SITES. This beverage law is on a yearly trial basis with the ABC. Please help us with this so we may continue this policy in the future instead of the Drink it or Dump it rule that applies to most fests. Thank you for your cooperation. Remember that this applies to our outdoor venues only. Please do not take beverages in or out of Petra's Cafe, Little Eagle Tent, Whiskey Creek Restaurant or the Theater. Thank you! Any vehicles operated by the town do not allow alcohol/food. Please obey this rule!

SORRY—STILL NO COOLERS, THERMOSES OR OUTSIDE ALCOHOL ALLOWED IN ANY VENUE.

WOODEN DOLLARS

They will be used as payment for food and drink at most outdoor sites only. The exceptions: The Sunday night program at Grumpy's Tent. The Good-bye 2009 Jubilee party at Grumpy's is sponsored by Grumpy's and WILL ONLY TAKE CASH. Be sure to spend your wooden dollars prior to 5:30 p.m. Sunday evening! You can save them for next year or donate them back to the Jazz Camp kids by putting them in the containers by the exits. (No refunds).

MOST INDOOR SITES

Whiskey Creek Upstairs, Petra's and Little Eagle Tent will accept cash/

credit card only, with exception of the RV Park—wooden dollars are accepted there. At the entrance to the Holler and by the Big Top Tent, at the Badge Sales Booth, you may purchase wooden dollars with a cash or credit card (minimum \$20 purchase with credit card). All other outdoor sites will take only cash or checks for the purchase of wooden dollars. If paying by cash or check, there is no minimum: you can buy from \$1 up. Also, look for Mammoth Lakes Jazz Jubilee chippies selling wooden dollars at the Holler.

MOST OF ALL ENJOY!

This has been a community effort from the beginning, so please patronize our food booths (most are run by local, non-profit organizations), and souvenir tents, as well as our town's restaurants and shops. We have some great small town eateries. Be sure to pick up the local dining guide.

Friday Night Mardi Gras: Madness or Manners?

A very big Mammoth Lakes Jazz Jubilee Thank You to Grace Perrine for supplying (recycling) 2009 New Orleans Mardi Gras beads. Most of the beads you received free or purchased from our souvenir store came direct from this year's parades.

Only one location will have Mardi Gras fun on Friday night July 10th—The Holler. Masks, beads, and many glow items will be for sale in the souvenir tent-get yours early. Join in the fun and catch the Mardi Gras spirit.

Please respect the rights of others who may not be as active or involved as you are. Remember to be careful with the direction you place your parasol or umbrella. The view from many seats at the Holler become blocked when people stand/dance/or jump around in front of the stage.

In order to accommodate all Mardi Gras enthusiasts, we would like your help with the following:

1. For the first 45 minutes of each 55 minute set, second line paraders and partiers may move anywhere in the site so long as you **DO NOT STOP** in front of the stage so you are not interfering with someone else's

view. It is NOT OKAY to party in front of the stage where you block vision for those seated there.

Exception—for the last 10 minutes of each set—it will be okay to get in front of the stage. However, **ABSOLUTELY** no one other than paid performers are allowed on the stage at anytime!

2. To those who are seated, we hope you enjoyed the first 45 minutes and understand the last 10 minutes of each set. If you can, you may want to join in the fun with the second line paraders.

3. Remember most rows of chairs in the Holler are on a relatively level surface, so if you want to see the stage for the whole show, you may want to take a seat on higher ground, or get up and party, too!

Be prepared to have some fun and get into the Mardi Gras spirit. Thanks for your understanding and cooperation!

Jazz Jubilee Camp: 15 Years and Counting

One of the best ways to keep jazz alive is to keep young musicians swinging. Here at the Mammoth Lakes Jazz Jubilee, we attempt to do so by offering a week-long camp devoted to teenagers and to jazz. This July, the annual Mammoth Lakes Jazz Jubilee Camp celebrates its fifteenth year.

Currently underway for students in junior high school and high school (ages 13-17), the camp began July 5 and runs through July 12. It is a unique opportunity for young musicians who want to learn the elements of jazz, and who wish to perform at a major jazz event.

The camp is not for learning how to play an instrument; it's for learning how to play jazz! Professional musicians and educators are providing the students with playing experience, not just classroom experience. To top it off, this jazz camp gives young musicians an opportunity to perform throughout the Mammoth Lakes Jazz Jubilee. Look for them as the Youth/Jazz Camp Band on the schedule. Come and support our jazz players of the future!

Emphasis in the camp is on improvisation, instrumental technique, harmony and scales, creating jazz solos, improvising ensemble parts, and learning to play from music and by ear. Several different jazz styles are entertained at the camp.

Bill Dendle of the former South Market Street Band is the camp administrator. Several other world class instructors will join Dendle in the experience, including Corey Gemme, Anita Thomas, "Fast Eddie" Erickson, "Westy" Westenhofer, Ed Metz Jr., Jason Wanner and Shelley Burns.

In addition to performances by the jazz camp students, be sure to catch all the Mammoth Lakes Jazz Camp instructors performing here as the "Professors." Check the schedule for time and locations.

In past years, the camp has drawn students from all over the state, as well as from Utah, Arizona, Oregon, Washington, Texas, Idaho, and Florida. They are all anxious to perform for you at this year's Mammoth Lakes Jazz Jubilee, so check out at least one of their sets. Many are returnees, so see how much they have improved over the last year.

These kids will amaze and delight you!

Jubilee Sends Students to Jazz Camp
